OBJECTIVES AND ACTIVITIES

The purposes of the charity are:

- To use education to challenge the root causes of global inequality and injustice.
- To enable public action on global justice issues at all levels and in all sectors of society.

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit.

The strategies employed to achieve the charity's aims and objectives are:

- To influence and strengthen development education practice;
- To increase and deepen public engagement with development education;
- To create positive change for development education at policy level;
- To maintain and develop the Centre for Global Education's capacity and sustainability.

The Centre for Global Education has benefited greatly from the services of volunteers in 2024-25 including a full-time German volunteer, Frieda Veersmann, placed in the Centre by Eirene, a German human rights organisation. We highly value their input and accord them all possible opportunities for capacity-building and self-development.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Centre for Global Education is a company limited by guarantee governed by its Articles of Association which were revised and updated in 2023 and adopted by Special Resolution on 03 July 2023. Centre for Global Education is a registered charity with the Charity Commission for Northern Ireland.

Appointment of trustees

The Chairman and the Trustees appoint new Trustees as needed. New Trustees are recruited on the relevance of their professional skills, and their potential to be able to make a helpful contribution to the governance of the charity. As part of the recruitment process they are made aware of a Trustees' legal obligations under charity and company law, the content of the Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity.

Once the potential new Trustee has agreed to be considered for appointment to the role, the Trustees meet to review and to vote on the candidates' suitability for appointment. If there is unanimous agreement, they can be co-opted at an ordinary Management Board meeting.

Trustee induction and training includes:

- Induction into the Code of Corporate Governance;
- Induction into the Dóchas Guide to Ethical Communications and the IDEA Code of Good Practice in Development Education;
- Sharing of key documents including governance documents, the roles and responsibilities of office bearers and strategic objectives for the organisation.

Arrangements for setting pay and remuneration of key management personnel

The directors consider the board of directors, who are the charity's trustees, and the senior management team comprise the key management personnel of the charity in charge of directing and controlling, running and operating the charity on a day to day basis. All directors give of their time freely and no director received remuneration in the year.

The pay of the senior staff is reviewed annually and normally increased in accordance with average earnings. In view of the nature of the charity, the directors benchmark against pay levels in other similar size charities run on a voluntary basis.

Organisation structure and how charity makes decisions

The board of trustees, which can have up to 11 members, administers the charity. The board normally meets quarterly. A Director is appointed by the trustees to manage the day-to-day operations of the charity. To facilitate effective operations, the Director has delegated authority, within terms of delegation approved by the trustees, for operational matters including finance and direct charitable activities.

Relationships with related parties

None of our trustees receive remuneration or other benefit from their work with the charity.

Risk management

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties that the charity faces;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

<i>Risks</i>	<i>Mitigation</i>
Lack of freestanding reserves	The Centre for Global Education's freestanding reserves in March 2024 amounted to £13,377. The Centre is working hard at drawing down funds from non-traditional donors and in 2024 received first time grants from the Halifax Foundation and WorldWide Global Schools.
Dependence on small number of donors	The Centre is trying to diversity its funding base and in June 2025 joined a fund consortium of NGOs that submitted a funding application to the European Commission's "Cooperation with EU citizens and Youth in the United Kingdom" Fund.
Lack of funding from the British government for global education activities in the UK.	The Centre has supported publication of an advocacy document called <i>The Case for Global Learning in the UK</i> , which sets out the case for the British government reintroducing global education funding. It was launched in Westminster in July 2025.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The charity trustees (who are also the directors of Centre for Global Education for the purposes of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare accounts for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

- so far as each trustee is aware, there is no relevant audit information of which the charity's auditor is unaware; and

CENTRE FOR GLOBAL EDUCATION

Independent auditors' report to the members of Centre for Global Education

Opinion

We have audited the financial statements of CENTRE FOR GLOBAL EDUCATION for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2025 and of its incoming resources and application of resources, for the Year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the accounts and our auditors report thereon. The trustees are responsible for the other information. Our opinion on the accounts does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

CENTRE FOR GLOBAL EDUCATION

Independent auditors' report to the members of CENTRE FOR GLOBAL EDUCATION continued

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit: the information given in the trustees' Report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; and
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of trustees' Responsibilities, the trustees, who are also the Directors of the charity for the purpose of company law, are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the committee determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

CENTRE FOR GLOBAL EDUCATION

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified the areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements and risks of material misstatement due to fraud, using our understanding of the entity's industry, regulatory environment and other external factors and inquiry with the Trustees. In addition, our risk assessment procedures included: inquiring with the Trustees as to the charities policies and procedures regarding compliance with laws and regulations and prevention and detection of fraud; inquiring whether the Trustees have knowledge of any actual or suspected non-compliance with laws or regulations or alleged fraud; inspecting the charities regulatory and legal correspondence; and reading Board minutes.

We discussed identified laws and regulations, fraud risk factors and the need to remain alert among the audit team.

The charity is subject to laws and regulations that directly affect the financial statements charity and financial reporting legislation. We assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items, including assessing the financial statement disclosures and agreeing them to supporting documentation when necessary.

The charity is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law, environmental law.

Auditing standards limit the required audit procedures to identify non-compliance with these non-direct laws and regulations to inquiry of the Trustees and inspection of regulatory and legal correspondence, if any. These limited procedures did not identify actual or suspected non-compliance.

We assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. As required by auditing standards, we performed procedures to address the risk of management override of controls. On this audit we do not believe there is a fraud risk related to revenue recognition. We did not identify any additional fraud risks.

In response to risk of fraud, we also performed procedures including: identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation; evaluating the business purpose of significant unusual transactions; assessing significant accounting estimates for bias; and assessing the disclosures in the financial statements.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

CENTRE FOR GLOBAL EDUCATION

In addition, as with any audit, there remains a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditors-responsibilities>. This description forms part of our auditor's report.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

CENTRE FOR GLOBAL EDUCATION

Notes to the financial statements for the year ended 31 March 2025

1. Accounting policies

Company information

Centre for Global Education is a Company limited by guarantee, registered in Northern Ireland. The address of the registered office is 9 University Street, Belfast, BT7 1FY.

1.1. Accounting convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019". The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2. Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3. Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4. Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Investment income is recognised once the income has been declared and notified to bank accounts.

CENTRE FOR GLOBAL EDUCATION

Notes to the financial statements for the year ended 31 March 2025

..... continued

1.9. Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially and subsequently at transaction price.

1.10. Taxation

The charity is an exempt charity within the meaning of Schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

1.11. Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.
